Abeka Matter And Motion In

Matter and Motion is written in the perspective of the founders of modern science: the belief that God is the Creator of the universe and the Originator of its order, reason, and reality, and that science is one way for man to control and master the physical world for the benefit of mankind.

Abeka | Product Information | Matter and Motion in God's ...

Matter and Motion is a very dry and boring science book. I realize that not everyone is a science person but this is beyond boring; even my child who loves science cringes when she sees me bring this book out! Maybe it will get better towards the middle of the book, but so far it's just boring us to pieces!
