Vincent Bach Stradivarius Instruments

Bach Classic Series Mouthpiece. Vincent Bach was a rare combination of artist and engineer. He was constantly changing his mouthpiece designs until the mid 1960's when they became more standardized. The formalization of the 27 throat and backbore to cup letter (A=24, B=7, C= 10, etc.) created a standard for the mouthpiece making that is still ...

Bach Classic Series Mouthpiece : Conn-Selmer, Inc

For a guide to Bach's mouthpieces, click here to view their mouthpiece manual.. The Symphonic Series uses the Classic Series cup designs and opens up the throat and backbore negating the need to have a Classic Mouthpiece reamed by hand which can create inconsistencies in playability and tone.

Bach - Symphonic Series Trumpet Mouthpieces - Music Elements

The picture above shows a mouthpiece with a diameter of something like 95 mm. The real diameter is about 16,5 mm so the mp is magnified by a factor 5,75. The lines of the drawing are about 1 mm (a little more) thick. The real difference in diameter between a 8.5 and a 2 is according to the Bach mouthpiece manual 16.50 minus 16.10 = 0.4 mm.

Bach Mouthpiece diameters - View topic: Trumpet Herald forum

Hi all, I think I'd like to try the S and an MV. I currently play a Denis Wick 4C for most work and the 4E for lead. I was playing a Schilke 13C4 and 13a4a before that. These new Bach Commercial mouthpiece have peaked my interest. Old Bach mouthpieces used to cut me (too sharp of a rim, I have thin lips) and I found Schilke to be more comfortable.

NEW Bach Commercial Trumpet Mouthpieces - View topic ...

We've done some measuring on a few of our Rudy Mück trumpet mouthpieces we have to compare them with Bach specifications. We've made, as the heading suggests, an unofficial, hardly scientific comparison using what we could find in Bach's Mouthpiece Manual and other sources and compared it to "eyeball using a digital micrometer" measurements to come up with the following.
