It's in black and white but I think a color 3D comic isn't possible, There's also a 3D gallery of Batman and vilians from different artists. To round it of there's a 3D story from the 1950s. To put it bluntly it's pretty bad and doesn't use the 3D well at all. Still this is worth getting just for the 3D in the lead story alone.
