"Broken Homes" is the fourth book in the so called "PC Peter Grant series". Although I love the well researched details for the structure of the Metropolitan Police Service (also called MPS or Met) and the dry humour in which Peter uses to teach the reader in the all day red tape madness a police officer is confronted with, does the book offer hardly anything else that gets stuck.

Broken Homes brings us everything we have come to expect from Peter Grant - a tediously normal setting where exceptionally peculiar things happen. I did miss the MIT from previous books who regularly exhort Peter to keep the weird stuff away from them, but this book is set off their patch; unfortunately nobody at the Crawley Nick, or the Elephant & Castle one measure up.
