Cell Novel Stephen King

Cell is a 2006 apocalyptic horror novel by American author Stephen King. The story follows a New England artist struggling to reunite with his young son after a mysterious signal broadcast over the global cell phone network turns the majority of his fellow humans into mindless vicious animals.

Cell (novel) - Wikipedia

This was a classic Stephen King novel! Roller coaster ride of thrills, twists, and turns! I read the first half of the book in one night as I could not put it down. Last night I finished the other half. The book is about cell phones that get hit with a pulse phenomenon that practically turns the human race into zombies.
