The Helvii were a relatively small Celtic polity west of the Rhône river on the northern border of Gallia Narbonensis. Their territory was roughly equivalent to the Vivarais, in the modern French department of Ardèche. Alba Helviorum was their capital, possibly the Alba Augusta mentioned by Ptolemy, and usually identified with modern-day Alba-la-Romaine. In the 5th century the capital seems to have been moved to Viviers. From the mid-2nd to mid-1st century BC, Helvian territory was on the ...

Etymology. The modern English word druid derives from the Latin druidēs (plural), which was considered by ancient Roman writers to come from the native Celtic Gaulish word for these figures. Other Roman texts employ the form druidae, while the same term was used by Greek ethnographers as δρῦδης (druidēs). Although no extant Romano-Celtic inscription is known to contain the form, the ...

This book tracks the development of social complexity in Ireland from the late prehistoric period on into the Middle Ages. Using a range of methods and techniques, particularly data from settlement patterns, Blair Gibson demonstrates how Ireland evolved from constellations of chieftoms into a political entity bearing the characteristics of a rudimentary state.
