Equal Shmequal - Virginia Kroll - Google Books

Once they think they finally have the solution, one team becomes distracted and the other easily wins, leading the characters to realize that teams are not equal unless they put in equal effort. "Kroll gives the four definitions of equal from the viewpoints of math, art, the law, and team sports," noted Elaine Lesh Morgan in School Library Journal, while a Kirkus Reviews contributor found the book to be "a cute look at what can be a difficult concept."
