The International Style arose from several strands of architectural and political thought in the 1910s. First, it often has been said to have grown out of a fascination with buildings for a modern industrialized age, especially factories and warehouses, which demanded utilitarian designs that included ample natural lighting and flexible interior space for machinery or storage for huge ...

### International Style - Overview | TheArtStory

What is the Five Practices of Exemplary Leadership Model? James Kouzes and Barry Posner offered a notable version of a functional leadership model in their book, The Leadership Challenge (1987). It is more prescriptive than Adair's model and aimed more at high-level leaders like CEOs, but it's a significant contribution to the thinking on effective leadership.
