Futurity In Phenomenology Promise And

Futurity therefore points us to the centrality of the promise for phenomenology, recasting phenomenology as a promissory discipline. Clearly written and carefully argued, this book provides fresh insight into the phenomenological provenance of the “theological” turn and the phenomenological conclusions of Husserl, Levinas, and Derrida.

Futurity in Phenomenology - Fordham University Press

Futurity in Phenomenology: Promise and Method in Husserl, Levinas, and Derrida. Book Description: From Husserl's account of protention to the recent turn to eschatology in "theological" phenomenology, the future has always been a key aspect of phenomenological theories of time. This book offers the first sustained reflection on the significance of futurity for the phenomenological method itself.

Futurity in Phenomenology: Promise and Method in Husserl ...

The future figures prominently in much phenomenological work, but the methodological significance of the future for the discipline of phenomenology is rarely (if ever) the subject of direct inquiry. This book seeks to remedy that by showing the key role that futurity (the subject's relation to the future) plays in two key elements of the phenomenological method: constitution and intentionality.

Futurity in Phenomenology: Promise and Method in Husserl ...

In Futurity in Phenomenology, Neal DeRoo adds his voice to this field and complements these other texts by focusing in more detail upon phenomenology and the future (another important text on related themes is Michael Kelly's forthcoming Phenomenology and the Problem of Time, Palgrave-MacMillan 2014). These books tend to be about the continental tradition in general, or even about the continental tradition and its putative others.

Futurity in Phenomenology: Promise and Method in Husserl ...

Futurity in Phenomenology is an important book. It is the only one that places Husserl, Levinas, and Derrida in conversation. In fact, Deroo shows himself to be a master of all three figures. Deroo finds a common ground among the three in the idea that intentionality must be understood through futurity.

In the review below, Eric Severson takes up Neal DeRoo's Futurity in Phenomenology: Promise and Method in Hussenl, Levinas and Derrida in two respects. First, he addresses the book according to its philosophical pedigree—the work after all deals with a line of thinking in 20th century Continental thought and considers it's consequences.

Book review : Futurity in phenomenology : promise and ...

This volume aims to assess the philosophical importance of phenomenology as a method for studying the normativity of meaning and its transcendental conditions. Using the pioneering work of Steven Crowell as a springboard, contributors to this volume

Normativity, Meaning, and the Promise of Phenomenology ...

There is a clear connection between the liturgy's ritual (re-)enacting of the complex dynamic between remembrance (“do this in remembrance of me”) and anticipation (“proclaim the Lord's death until he comes”) that constitutes the very heart of Christian worship, and the dynamic of the promise sketched out in Futurity in Phenomenology, and I thank Gschwandtner for bringing this connection to the forefront.
