"Pipe Dreams: A Surfer's Journey" was so captivating that I couldn't even put the book down. This book is not a how-to-surf book. It's about the life of Kelly Slater and he talks about personal things that occurred in his life that I must say...it takes a lot of courage and probably is therapeutic in a way to get everything out into the open for him.

Went to all the surf shops in Ala Moana, but Pipe Dreams had the largest selection of Nixon watches by far. And all the new styles were out and available too. The workers were pretty helpful and patient, considering I pretty much tried on all the watches in the case and they never complain or nothing.
