Henry David Thoreau is recognized as an important contributor to the American literary and philosophical movement known as New England transcendentalism. His essays, books, and poems weave together two central themes over the course of his intellectual career: nature and the conduct of life. The continuing importance of these two themes is well illustrated by the fact that the last two essays ...

Harper Perennial One of the most deceptively simple novels ever written, "To Kill a Mockingbird" is often dismissed as a charming look at a young girl named Scout's first brush with adult concerns in 1930s small-town Alabama. The adult concerns, of course, are horrifying racism and entrenched meanness among the white citizens of the town; the story centers on a Black man accused of raping a ...

Biographical background and publication. Born in 1926, Harper Lee grew up in the Southern town of Monroeville, Alabama, where she became close friends with soon-to-be-famous writer Truman Capote. She attended Huntingdon College in Montgomery (1944-45), and then studied law at the University of Alabama (1945-49). While attending college, she wrote for campus literary magazines: *Huntress* at ...
