### **"The Waltons" The Wing-Walker (TV Episode 1975) - IMDb**

Wing walking is the act of moving along the wings of an aeroplane during flight, sometimes transferring between planes. It originated as a daredevil stunt in the aerial barnstorming shows of the 1920s, and became the subject of several Hollywood movies. An early exponent was Ormer Locklear, who was killed performing a dive on film. Charles Lindbergh began

Wingwalking is the act of walking or moving on the wings of a flying aeroplane. It started around 1920 at airshows. It actually began as a demonstration of planes' balance and stability, moved to in-the-air mechanical adjustments and fixes and then to stunts. These early wingwalkers became famous for their daring stunts.

Wings of the Walker definitely classified as a slow burn romance, but it's also a series that you can see having lots of twists and turns as June takes us on the heroine's journey. What I loved about the book was how June employed stereotypes in her book, but went against the grain in terms of the end goal of the plot.
